Thursday 3 July 2008 (09 00 – 16.30) - Cologne

Dear Sir, Dear Madam,

I am pleased to invite you to attend our "Workshop on Revised Part-M requirements for aircraft not involved in commercial air transport", to be held at the Horion Haus, RHEIN/RUHR/ERFT Conference Room, Hermann Pünderstrasse 3, 50679 Cologne, Germany on **Thursday 3 July 2008**.

The objective of the workshop is to explain the changes to Part-M proposed by the Opinion 02/2008, which was published on 16 May 2008. These envisaged changes are focused on the General Aviation community, including industry, organisations, stakeholders, pilot–owners and flying associations, and are aimed to adapt the regulation to the specific needs of the aviation sector. These changes, consequently, also affect National Aviation Authorities.

The workshop is open to everybody: Pilot-owners, flying associations, maintenance organisations, continuing airworthiness management organisations, operators, maintenance training organisations, aircraft maintenance licence holders, National Aviation Authorities, etc.

The event will be published on the Event page of the EASA Website:
http://www.easa.europa.eu/ws_prod/g/g_events.php

You are kindly requested to indicate your interest by completing the "registration form" on the EASA website (Events), and to submit it via e-mail, **before Friday 27 June 2008**, to:

The workshop is only accessible to registered participants, who will receive confirmation of participation. Acceptance will be limited to 2 representatives per organisation, due to capacity limitations. Registration will be done on a first come first serve basis. (maximum 200 participants)
