### JAA SUPPLEMENT

#### TEMPORARY REVISION JAA16 SUBMISSION APPROVAL

This JAA MMEL Supplement must only be used in conjunction with the Transport Canada approved MMEL at revision 4, dated 24 January, 2008 and TCCA MMEL Temporary Revisions up to and including TR 88, TRs 90 through TR 96. TRs 98 through TR 101, TR 103, TR 104, TR 106, TR 111 and TR 112.

Additional MMEL alleviation, provided by later revision(s) of the TCCA MMEL must not be used until this JAA Supplement has been updated to confirm the later TCCA MMEL revision(s) as the base document.
