

European Aviation Safety Agency

Practical details

EASA Workshop

**Working together for safety within the Single European Sky
Cologne, 16 October 2008**

Workshop location

Horion Haus

RHEIN/RUHR/ERFT Conference Room
Hermann-Pünder-Straße 1
50679 Köln - Germany (adjacent to EASA headquarters)

EASA headquarter at Ottoplatz 1, 50679 Cologne.

Getting to Horion Haus

EASA's headquarters are located in Köln-Deutz, Ottoplatz 1, opposite the railway station "Köln Messe/Deutz" and behind the Hyatt International Hotel.

The "RHEIN/RUHR/ERFT" conference room (Horion Haus) is located at the end of EASA's office building.

Arrival

From Köln-Bonn Airport (CGN). Take train (S-Bahn) No 13 towards "Köln-Hauptbahnhof" (Central Station) until "Köln Messe/Deutz". On leaving the station, turn right and head towards the EASA tower (see picture above).

From Köln-Hauptbahnhof (Cologne Central Station). By foot: Follow the signs to "Köln-Messe"; cross the pedestrian bridge "Hohenzollernbrücke". **By train:** Take a train which stops at "Köln Messe/Deutz"

By car. From Brussels. Take the E40 to Liège, Aachen, Cologne. Follow directions to Köln-Zentrum / Köln-Deutz / Köln Arena / Kölnmesse. **From any other starting point.** Follow Koelnmesse, then Köln-Deutz.

Parking You can park in the underground car park alongside the Agency building which is open from 6am to 10pm at 1 euro per hour.
