Subject: Invitation to the third EASA NPA OPS conference and call for questions

Dear Madam or Sir,

It is my pleasure to inform you that the European Aviation Safety Agency organises a third conference on the proposed draft requirements for air operations (NPA 2009-02). The one-day conference will take place in Cologne on 8 July 2009.

With this conference, the Agency aims at giving stakeholders a forum to ask questions and to discuss the proposals made in the NPA. In preparation of this interactive conference we kindly invite you to send questions or topics of interest related to NPA 2009-02 by 1 July 2009 to IR-workshops@easa.europa.eu. Questions of general interest will be addressed at the conference. Its agenda will be published on the EASA website shortly before the event and will be adapted to the issues notified to the Agency beforehand.

For more information on the conference, please consult our website ("Events") regularly. The conference is open for registered participants only who will receive a confirmation of their registration (250 participants maximum). Registrations can be sent to ir-workshops@easa.europa.eu and will be dealt with on a first come, first served basis.

For additional information, please write to the e-mail address indicated above or call Narcisa Mihailescu at +49 221 89990 5053.

Yours faithfully,

J.KNEEPKENS
