**Subject: Third EASA Rotorcraft Symposium**

Dear Sir, dear Madam,

I am pleased to invite you to attend the "Third EASA Rotorcraft Symposium" to be held at the Pullman Hotel, Helenenstrasse 14, 50667 Köln, Germany, on 02 – 03 December 2009.

The European Aviation Safety Agency also this year wants to provide the rotorcraft community (operators/owners, design and maintenance organisations, manufacturers, authorities, and any persons or associations having an interest with rotorcraft) with a forum to present initiatives, ask questions, raise issues and discuss topics in the field of rotorcraft safety, both in Europe and in the rest of the world.

Topics will span from the area of rotorcraft design, and relevant organisation, with emphasis on the inherent approval and continuing airworthiness, as well as regulatory and operational matters, and any safety initiatives related to the above.

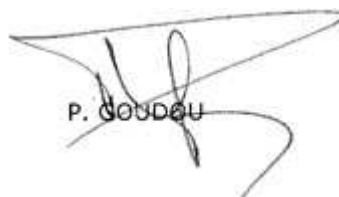

Please find the Symposium agenda on the EASA Website (Events):

[http://www.easa.europa.eu/ws\\_prod/g/g\\_events.php](http://www.easa.europa.eu/ws_prod/g/g_events.php). You are invited to visit it regularly for updates.

You are kindly requested to register yourself on our EASA Website (Events) before Friday 20 November 2009. The workshop is only accessible to registered participants, who will receive confirmation of participation. The Agency levies an administrative fee of €50 from all symposium participants (speakers and press free of charge).

For additional information, please contact Ms. Marina Spinello by email at [marina.spinello@easa.europa.eu](mailto:marina.spinello@easa.europa.eu) or by phone at +49 221 89990 4110.

Yours sincerely,

P. GOUDOU
