Subject: Invitation to the EASA NPA OPS Conference "From JARs to IRs: Air Operations" on 10 - 11 March 2009

Dear Madam or Sir,

It is my pleasure to invite you to attend our two-day Conference on the recently published draft requirements for air operations (NPA 2009-02). The Conference will be held in Cologne on 10 - 11 March 2009.

The Conference aims to inform aviation experts about the new requirements for Air operations of Community operators. The Notice of proposed Amendment (NPA) 2009-02 has been published for public consultation on the EASA website on 30 January 2009. It is our intention to acquaint the participants with the general principles and structure of the new draft on Air Operations and the associated Organisation and Authority Requirements, to facilitate your input during the comment period. In preparation of the Conference, we invite you to make yourself familiar with the general EASA rulemaking procedure which you will find on the [EASA website](#) (EASA Management Board Decision 08-2007), and the Notice of Proposed Amendment itself, which you will find on the EASA website under the CRT Section <http://hub.easa.europa.eu/crt/docs>.

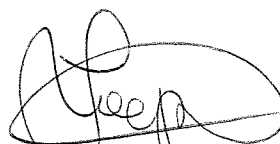

You are kindly requested to indicate your interest by completing the "registration form" on the EASA website (Events), and to submit it by email or fax, before 1 March 2009 to the indicated address on the form.

The Agency also invites all participants to send questions or topics of interest related to this NPA by 1 March 2009 to IR-workshops@easa.europa.eu so that they can be addressed at the Conference, if of general interest. The agenda of the Conference will be published soon on the EASA website and will include an interactive section on the second day that will be adapted according to your requests.

The Conference is only accessible to registered participants, who will receive confirmation of participation. Registration will be done on a first come first serve basis (350 participants maximum).

For additional information, please write to the e-mail address indicated above or call Elisabeth Schöffmann at +49 221 89990 2025.

Yours faithfully,

J. KNEEPKENS
