Arrival by car

From the A3 motorway: Continue on the Leverkusen motorway interchange onto A1 in the direction of Cologne. From the A1 change onto the A57 in the direction of Cologne City Centre. Continue driving along the A57 until you reach the end and stay on the right in the direction of the City Centre. At the first set of traffic lights, turn left. Continue left and enter Media Park's garage. You will find the Hotel's garage entrance on the left.

From the A4 motorway : Continue along the A4 motorway in the direction of Zoobrücke, cross the bridge and drive straight on Innere Kanalstraße. Turn left before reaching the television tower and continue left for the U-turn. At the next crossway, turn to the right onto Subbelrather Straße in the direction of MediaPark. Continue on the left and enter Media Park's garage. You will find the Hotel's garage entrance on the right.

From the A555 motorway: Stay on A555 until the Köln-Süd motorway interchange, then change onto the A4 in the direction of Aachen. Drive until Köln-Klettenberg and from here, leave the A4 and take the next right into Luxemburger Straße in the direction of the City Centre. Stay on the left to do the U-turn before the tower block and then take the next right at the crossway into Universitätsstraße. Continue right and enter

Subblerahter Straße in front of the television tower. Continue left until you enter Media Park's garage. The Hotel garage is situated on the left.

Arrival by train

From Cologne's main station, catch the tram from platform 11 and get off at Hansaring. From there you can walk about 10 minutes to NH Hotel Media Park or take a Taxi.

Arrival by plane

From Cologne/Bonn airport you can take the metro S13. There are 5 stops to Hansaring, where you have to get off and catch the train. It is then 10 minutes by foot to the Hotel, otherwise you can take a taxi.

Accommodation

EASA is not able to cover neither for accommodation nor for travel expenses. Hotel bookings have to be made by the participants directly. A list of hotels in Cologne is available on the EASA website (Events). The conference hotel reserves a limited number of rooms for workshop participants (reference: EASA) at a reduced price.
