**Subject:** Technical "Roadshow" in the United States

Dear Sir or Madam,

The European Aviation Safety Agency (EASA) will be carrying out a technical "Roadshow" in the United States from March 17<sup>th</sup>-20<sup>th</sup> to present to both the US industry and the FAA the draft Regulations for the extension of scope of the Agency's remit.

The Roadshow shall include technical presentations on Flight Crew Licensing, Operations, Third Country Operators and Operational Suitability Certificate. EASA will provide an opportunity for technical interaction from the audience.

We would appreciate the attendance of your technical representative. Please be advised that there is limited seating and we may not be able to accept all prospective attendees.

The Roadshow will take place in Washington DC on the 17<sup>th</sup> and 18<sup>th</sup> of March and in Wichita, Kansas on the 19<sup>th</sup> and 20<sup>th</sup> of March.

Please see **attached** agenda for further information.

The Washington DC event will take place at the International Air Transport Association (IATA) offices at:  
601 Pennsylvania Avenue NW,  
Suite 300, North Building  
Washington DC

The Wichita Kansas event will take place at the Hawker Beechcraft Learning Centre at:  
9720 E Central Ave  
Wichita, KS 67206, United States

Our thanks are extended to both IATA and Flightsafety International who have been kind enough to offer their facilities.

Please confirm your attendance (including name, contact details, position and organisation) to Mr Juan Morales ([juan.morales@easa.europa.eu](mailto:juan.morales@easa.europa.eu)) not later than Friday February 27<sup>th</sup>

We thank you for your support and look forward to meeting you in March.

Yours faithfully,

J. KNEEPKENS
