Dear Sir or Madam,

I am pleased to invite you to attend our **Part 66/Part 147 Workshop** to be held in the Pullman Cologne (Room: Ballsaal A), Helenenstrasse 14, 50667 Cologne, Germany, on **29 October 2009**.

EASA has very recently issued two CRDs which have a significant impact on Part-66 requirements as well as on Part-147 organisations: CRD 2008-03 (B3 and L licences for aircraft engineers) and CRD 2007-07 (B1 and B2 privileges, type and group ratings, type training). In order to explain the content of the proposed text and to respond to questions from Stakeholders, we plan to hold a 1 day workshop in Cologne on 29 October. This will also help Stakeholders to provide comments to the mentioned CRDs.

You will find attached the draft agenda of the meeting.

Please do not hesitate to submit any further questions you may have to this regard, as this may help to prepare the final agenda. We kindly ask to forward any questions, as well as the confirmation of your participation, to our functional mailbox (R4-workshops@easa.europa.eu) by **23 October 2009** at the latest, using the attached registration form.

Yours faithfully,

E. SIVEL
