Information on hotels in Cologne

Dear Sir or Madam,

I am pleased to invite you to attend our **Part-66 Workshop** to be held in the Pullman Hotel Cologne (Room: Ballsaal B and C), Helenenstrasse 14, 50667 Cologne, Germany, on **16 March 2010**.

During 2008 and 2009 the Agency has issued the following 3 opinions related to Part-66:

- Opinion 05/2008: Time limit for demonstrating compliance with knowledge and experience requirements.
- Opinion 04/2009: Aircraft maintenance licences for non-complex aircraft (B3 and L licences).
- Opinion 05/2009: Privileges of B1 and B2 aircraft maintenance licences and Type and group ratings and Type rating training.

A consolidated version of these 3 opinions will be discussed by the Commission and Member States in an EASA Committee to be held April 2010 before it can be formally adopted by the Commission as a final rule. In order to explain the content of the proposed consolidated text and to respond to questions from Stakeholders and National Authorities, we plan to hold an one-day workshop in Cologne on 16 March 2010.

You will find attached the draft agenda of the meeting.

Please do not hesitate to submit any further questions you may have to this regard, as this may help to prepare the final agenda. We kindly ask to forward any questions, as well as the confirmation of your participation, to our functional mailbox (R4-workshops@easa.europa.eu) by **9 March 2010** at the latest, using the attached registration form.

The workshop is only open to registered participants, who will receive confirmation of their participation.

Yours faithfully,

J. KNEEPKENS
